More about me

At work I'm best at...

Finding solutions. Even as a ROC operator it is an essential skill.

Outside of work I...

I'm building a Raspberry Pi robot with my son, that follows lines. He's 3 but loves robots and I would love to learn more about Raspberry Pi and Python, it will be a fun experience(hopefully).

Right now I'm learning...

AWS! I am studying through CBT Nuggets to prepare for the AWS Developer Exam.

Interests

– Entertaining my 3 year old – Strength training – Reading – Code – Harry Potter
